Love Care Respect

It's October already! I can't quite believe it. It was lovely to see Darwin class in their Stone Age outfits yesterday. The children looked amazing and Mrs Riggs was very pleased with all of the children in her class as they took part in so many fun activities. I saw them creating cave paintings ... they certainly were awesome.

The children should have bought home the proof and order form for their school photo this week. Hopefully, it is easy to order. We will let you know when we receive them.

RWI/Phonics workshops

Just a reminder that the workshops will now take place on Thursday 8th October at 9am. They will then be repeated at 3pm to accommodate as many parents as possible. The session will last for approximately 30 minutes.

I cannot stress how important it is for parents to understand how we teach reading and understand how your child gets taught phonics at Wylve Valley.

Parent Pay/Lunch ordering- This section is really important

If you haven't already done so, please set up your Parent Pay account. The initial email with information to set up your account may have gone in to junk so please check. You need to have an account for each child or link all your children to your account. You will need Parent Pay to pay / order lunches; school clubs; trips and probably more later in the year **so everyone needs an account**. We will be sorting clubs for after half term in the next couple of weeks.

Ordering lunches on Parent Pay

The deadline to order lunches is Midnight the Tuesday prior to the week the lunches are required. There is a cut off on the system so please make sure you remember this date!

Coffee morning with Mrs Downing and Mrs Muller

Our Special Needs Coordinator (SENCo), Mrs Downing, will be joining forces again with our Parent Support Worker (PSW), Kim Muller to lead a coffee morning on 13th October at 9am.

There will be a focus on ADHD and how to support your child if you co-parent. They can answer questions about other topics too and I think the sessions are invaluable to all parents – so please do come along. There will be tea, coffee and biscuits.

Clubs

If your child is in a after school club, please make sure you have paid for this term by tomorrow. We will then check to see if everyone has.

Thank you for your support!

Happy World Teachers' Day ★

World Teachers Day on Monday 5th is an opportunity to say a huge and heartfelt thank you to all the wonderful teachers who give so much of themselves every single day.

Thank you for your patience, kindness and understanding. Thank you for believing in our children, encouraging them when things feel difficult, celebrating their achievements and helping them grow into confident, happy little people.

It's not always easy to see just how much you do behind the scenes, but please know that your time, effort and dedication truly make a difference. The care and support you give our children will stay with them for years to come. Thank you for everything you do — you are appreciated more than you know.

Christmas Cards-This year the PTA are working with 'My Child's Art' to produce Christmas card designs. Your child will be sent home with a design sheet to complete today.

The completed Christmas designs need to be returned to school to send off by **Monday 12th October at the latest**. Once received and processed by My Child's Art, you will be able to order a range of products including Christmas cards, mugs, cushions etc featuring your child's design (instructions to follow). 20% of all orders go to the school to put towards projects to benefit your child within school. Please note, very faint/light coloured designs will not show up when processed.

Best wishes
