

## Geography: Whole school overview - Two year cycle

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Reception	<p style="text-align: center;"><b>Early Learning Goal</b></p> <p>Children know about similarities and difference in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one to another. They make observations of animals and plants and explain why some things occur, and talk about changes.</p>
